Umbagog Lake State Park

Remote Camping Information

About the Remote Sites

The New Hampshire Division of Parks and Recreation manages 35 remote campsites and 4 remote cabins around Umbagog Lake that are not located within the main campground. The sites are generally isolated in wooded areas and accessed only by canoe, kayak, or motorboat. Each site has a fireplace, picnic table, and primitive pit toilet. No drinking water is available but campers are welcome to fill portable water containers at the main campground. Both wood and ice are sold in the campground office.

Firewood is a major carrier of exotic insects and tree diseases. It is unlawful to bring firewood from out-of-state locations. (RSA 227-K:17). All firewood must be purchased at the Park Store. Gathering wood from anywhere within the park is prohibited. Campfires should be kept small and safe in designated fireplaces with wood under 16 inches in length and less than five inches in diameter. Whenever leaving a site unattended, fires must be completely extinguished.

Remote campsites and cabins are carry in - carry out. There are no trash cans or provisions for trash pick-up. Campers are responsible for carrying all their trash out with them to dispose of properly. Discourage visits from wildlife by keeping a clean site and disposing of food waste properly.

The maximum number of campers on remote sites is six, of which only four can be adults, except on designated group sites (2, 6, 13, 18, 23, 26, 27, 31). Respect the rights and property of site neighbors. Quiet hours are from 10:00 pm to 7:00 am.

Pets are welcome on remote sites 6-8, 11, 12, 24-27, 31, 33, 34, 36-38 only. Their activity must be restricted and they must not be left unattended.

Canoes and kayaks are available for rent at the main campground. Rental boats may be reserved by calling the campground directly. For a fee, transportation will be provided by campground staff via motorboat. Rates are for two people and gear one way. Each additional person will be charged an additional fee with a limit of five people per trip. Campers must make transportation arrangements with the campground staff no later than three days prior to arrival. Rates vary according to the site distance from the main campground.

Location (site numbers).....	Distance
Sargent Cove Island (36, 38).....	1.0 mile
Big Island (1, 2, 5, 9).....	2.5 miles
Tidswell Point (6, 7, 8).....	2.5 miles
