Franconia Notch State Park

About the Campground

Lafayette Campground is located in the middle of Franconia Notch State Park, along the Franconia Recreational Trail. The campground is open for reservable stays from mid-May through Columbus Day weekend.

Facilities, Services and Amenities

The campground is open with full facilities from mid-May to mid-October. Each campsite is wooded and has a picnic table, car parking space and an open fireplace which should not be moved. Brochures, weather reports and basic provisions such as wood, charcoal, ice, milk, and snacks are available at the lodge between 8 am and 9 pm. Coin-operated showers are open 24 hours. A public telephone is located outside the visitor center (cabin) across the campground bridge. Winter camping is welcome; a vault toilet but no running water is available.

Activities

Campers enjoy hiking, biking, picnicking, and fishing. Its location allows easy access to other park attractions including the Flume Gorge, the Basin, Boise Rock, Cannon Mountain Aerial Tramway and Ski Area, Echo Lake, Profile Lake, and the Old Man of the Mountain Historic Site. Boat rentals and swimming can also be found at nearby Echo Lake.

For Your Safety

Do not invite bears or other wild animals into the campground or to your campsite. Keep a clean site, free of food smells and scraps; dispose of trash properly. Be sure to remove all food items from tables and tents and secure them in your vehicle at night. Coolers left out are easily opened and destroyed by hungry bears.
